There are different records showing.

Web Templates> saved websites > Domain Button

The screenshot shows a modal window titled "Connect Custom Domain" for "GreenEdge Lawn Care - Copy 12/21/2025". The window is divided into sections for adding DNS records. The first section contains an A Record with the value 34.110.210.168, and the second section contains a CNAME record for www pointing to yourdomain.com. Both sections include a note about Replit servers and a delete icon. A yellow warning box at the bottom left states: "⚠️ Important: Some registrars use different terminology. TTL should be set to 3600 (1 hour). If you get stuck, contact your registrar's support." At the bottom are three buttons: "Verify DNS" (green), "Done" (light gray), and "Watch Tutorial" (purple).

DNS Records to Add:

TYPE	NAME/HOST	VALUE/POINTS TO
A Record	@	34.110.210.168
CNAME	www	yourdomain.com

Points to Replit servers (required for apex domain)

Points www subdomain to your apex domain

⚠️ Important: Some registrars use different terminology. TTL should be set to 3600 (1 hour). If you get stuck, contact your registrar's support.

And Templates> Edit template>Connect Domaia button

The screenshot shows the 'Connect Custom Domain' section of the Adiology website. On the left, there's a vertical sidebar with a globe icon at the top and the letters 'P' and 'Trans' partially visible. The main area has a yellow header box containing DNS configuration details:

Type:	A Record
Host:	@ (or your subdomain)
Value:	76.76.21.21
TTL:	3600 (or Auto)

Below this is a text input field labeled 'Your Custom Domain' with placeholder text 'e.g., www.yourdomain.com'. At the bottom is a green button with a checkmark icon and the text 'Verify Domain'.

Website template > Publish > showing [adiology.io](#) site
<https://adiology.io/templates/greenedge-lawn-care-copy-12212025>

The screenshot shows the landing page for the 'greenedge-lawn-care-copy-12212025' template. The page has a dark background with purple text. At the top, it says 'adiology' and has links for 'Features', 'Pricing', 'Sign In', and 'Get Started'. The main headline reads 'Ads made simple. Results made powerful.' Below it, a subtext says 'Launch campaigns 10x faster with automated keywords, ads & assets'. There are two buttons: 'Start Your Journey' and 'See It In Action'. At the bottom, there's a section titled 'Top 12 Search Ads Campaign Structure & lot more' with several small icons representing different campaign types.
